1. DEFINITIONS

At all times, the definition of the word “PRESENTER” shall refer to the legal entity that is engaging this production, which will include, musicians, staff, management, etc. “VENUE” shall refer to the concert hall and location in which the production shall take place. “PRODUCTION” shall refer to the orchestral concert Nat King Cole Songbook Unforgettable: Nat and Natalie, a symphonic experience. “PRODUCERS” shall jointly refer to the co-producers Greenberg Artists and Schirmer Theatrical, LLC, both legal entities incorporated and operating under the laws and jurisdiction of the State of New York.

All equipment, materials, personnel and/or labor specified in this rider will be provided by the PRESENTER, at the PRESENTER’s own expense (except where rider specifically notes otherwise). Upon completion of the agreement or sixty (60) days prior to performance, the PRESENTER shall provide to the PRODUCERS plans and information about the VENUE including a stage and seating diagram, backline lists of lighting, audio and projection equipment, as well as any additional information such as working hours or labor stipulations that may be vital to the planning of this engagement.

All video, projection, audio and lighting components, as described below, must be set-up, tested, and fully operational before first rehearsal of the PRODUCTION, whether that rehearsal is with or without the orchestra (see: Rehearsals).

The PRODUCTION’s title "NATWord did not find any entries for your table of contents. KING COLE SONGBOOKUNFORGETTABLE: NAT AND NATALIE" and the musical content of this concert may not be changed or altered in any way except by the PRODUCERS.

The concert is approximately 1 hour and 30 minutes long (inclusive of a 20 minute intermission)

2. MUSIC RENTAL & SHIPPING

The cost of music rental for the PRODUCTION is included in the fee for the engagement; it is the responsibility of PRESENTER to place an order online through www.Zinfonia.com, the official music publisher portal, for all scores and parts to be shipped to PRESENTER. To use Zinfonia, PRESENTER must:

- 1) Create a free account, if needed.
- 2) Once logged in, go to the “Search” tab and enter the following data:

Composer: Various
Title: Unforgettable Nat King Cole Songbook
Publisher: Music Sales Corporation

Note – Music Sales Corporation is the parent company of Schirmer Theatrical, and G. Schirmer, Inc. (a sister division of Schirmer Theatrical) will process the rental of all scores and parts on behalf of the PRODUCERS

- 3) Once the listing is found, click “Request Materials” on the right-hand menu, then complete questionnaires as prompted. If this is the first time ordering through Zinfonia, ASCAP and BMI Performer License numbers of the organization will be required.
- 4) When prompted, check both boxes: “A quote is NOT required” and “I agree for Zinfonia to provide a copy of all information . . .” then continue with the questionnaire, ending with shipping address and ship by dates.
- 5) Place the order and save a record of the order number. Though there is a messaging function within the Zinfonia portal, please contact the G. Schirmer librarians directly at rental@schirmer.com, citing the order number, should changes need to be made

The PRESENTER will be billed by G. Schirmer, Inc. for the cost of shipping the scores and parts to the VENUE/PRESENTER. The PRESENTER is also responsible for the cost of shipping to return the scores and parts to the PRODUCTION's music rental facility in Chester, NY. Shipping must be made by FedEx Ground, UPS Ground, Airborne or DHL and all tracking numbers must be given to a representative of the PRODUCTION upon request.

3. STAGING

As the PRODUCTION is intended for performance in an orchestra hall or similar venue (such as an outdoor amphitheater), it is understood the basic stage layout will be largely predetermined. Should the PRODUCTION take place in an indoor orchestra hall, PRODUCERS prefer staging in the blacks, rather than in the acoustic shell. The PRESENTER or VENUE is to provide all soft goods. The stage is to be set-up according to the Stage Plot (see final page of rider) in advance of the first rehearsal. Rhythm section should be placed directly upstage of the podium, close to the conductor, with strings and brass on either side and adequate space downstage of the conductor's podium for vocal soloists.

4. ORCHESTRA DRESS

As the PRODUCTION is intended for a more casual setting, PRODUCERS suggest that men wear dark suits with colorful ties, and women wear black with or without sparkles. Short-sleeved attire is also acceptable for outdoor, summer performances. PRODUCERS prefer not to have the orchestra in "formal wear," i.e. tuxes or white dinner jackets.

5. PERSONNEL

Unless otherwise negotiated with PRODUCERS, PRESENTER or VENUE shall hire the following rhythm section musicians with approval of the PRODUCERS:

- One (1) jazz keyboard player who can read music, follow charted chord changes with experience in improvisation (if not hired by PRODUCERS)
- One (1) acoustic jazz bass player who can read music, follow charted chord changes with experience in improvisation (if not hired by PRODUCERS)
- One (1) drummer who can read music, follow charted chord changes with experience in improvisation (if not hired by PRODUCERS)
- One (1) video projectionist
- One (1) sound engineer
- One (1) lighting engineer
- Optional Expansion (if PRESENTER chooses this feature under "Projection/Video" below): one (1) camera operator to run one (1) stationary camera and one (1) hand-held camera with switcher for projecting live feed of singers onscreen, interspersed with projection design.

PRESENTERS agree to pay PRODUCERS local union scale for rhythm section members hired by PRODUCERS.

6. RHYTHM SECTION BACKLINE EQUIPMENT

PRESENTER shall provide the following equipment. This list is subject to change, and is the responsibility of the PRESENTER to confirm backline requirements with PRODUCERS and personnel hired by PRESENTER no less than one month prior to PRODUCTION.

- One-two (1-2) follow spots/spotlights for solo vocalist
- Gels for Pops lighting (variety of colors and patterns)

10.PROJECTION/VIDEO (optional)

PRODUCTION includes an optional projection design at no additional cost. In the case that PRESENTER elects to include projections, PRESENTER or VENUE shall provide the following, which should be installed and tested before the first rehearsal:

- Two (2) projectors (8K lumen min.), stacked and synced (Christie, DP Barco or equivalent). Projectors will preferably be mounted FOH in a soundproof enclosure to ensure acoustic isolation, but rear projection may also be used as long as the projection image is clean and fills the screen. One (1) projector (16K lumen min.) also acceptable.
- One (1) screen with a 16:9 (widescreen) or 4:3 aspect ratio Visuals can be projected directly onto a white cyc if necessary, but PRESENTER must discuss this alternative with PRODUCERS. Screen should preferably be hung upstage of orchestra, downstage of a black scrim.

12. HOSPITALITY & DRESSING ROOMS

PRODUCTION requests three (3) dressing rooms, one for the conductor, one for the solo vocalist and one for the rhythm section musician(s) if hired by PRODUCERS. Each dressing room should be stocked with towels (minimum of one for each artist) and paper towels. An iron and ironing board and/or a clothes steamer should be made available for all artists. PRODUCERS and artists require free access to the internet/WiFi as well as access to a printer and copier for the duration of the engagement. Please provide keys to each dressing room during the length of the engagement for use by PRODUCERS and artists. These dressing room requirements are specific to the PRODUCERS and are not inclusive of orchestra needs.

A refreshment table must be set-up in or near the dressing room area and include the following:

16.ARCHIVE AUDIO OR VIDEO

Upon such approval, PRESENTER agrees to provide the PRODUCTION with a copy of such audio or video, with the explicit understanding that the PRODUCTION shall use the reproduction solely for archival purposes.

17.PHOTOGRAPHY

The PRODUCTION may choose, upon written agreement with PRESENTER, to supply its own photographer to photograph rehearsals and/or performances for publicity and promotion purposes.
