## 1. DEFINITIONS

At all times, the definition of the word “PRESENTER” shall refer to the legal entity that is engaging this production, which includes musicians, staff, management, etc. “VENUE” shall refer to the concert hall and location in which the production shall take place. “PRODUCTION” shall refer to the orchestral concert Dancing in the Street: The Music of Motown. “PRODUCERS” shall jointly refer to the co-producers Greenberg Artists and Schirmer Theatrical, LLC, both legal entities incorporated and operating under the laws and jurisdiction of the State of New York.

All equipment, materials, personnel and/or labor specified in this rider will be provided by the PRESENTER, at the PRESENTER’s own expense (except where rider specifically notes otherwise). Upon completion of the agreement or sixty (60) days prior to performance, the PRESENTER shall provide to the PRODUCERS plans and information about the VENUE including a stage and seating diagram, backline lists of lighting, audio and projection equipment, as well as any additional information such as working hours or labor stipulations that may be vital to the planning of this engagement.

All video, projection, audio and lighting components, as described below, must be set-up, tested, and fully operational before first rehearsal of the PRODUCTION, whether that rehearsal is with or without the orchestra (see Rehearsals).

The PRODUCTION’s title "DANCING IN THE STREET" and the musical content of this concert may not be changed or altered in any way except by the PRODUCERS.

**The concert is approximately 1 hour and 35 minutes long (inclusive of a 20 minute intermission)**

## 2. MUSIC RENTAL & SHIPPING

The cost of music rental for the PRODUCTION is included in the fee for the engagement, but it is the responsibility of PRESENTER to place an order online through [www.Zinfonia.com](http://www.Zinfonia.com), the official music publisher portal, for all scores and parts to be shipped to PRESENTER. To use Zinfonia, PRESENTER must:

- 1) Create a free account, if needed.
- 2) Once logged in, go to the “Search” tab and enter the following data:

Composer: Various  
Title: Dancing in the Street  
Publisher: Music Sales Corporation

*Note – Music Sales Corporation is the parent company of Schirmer Theatrical, and G. Schirmer, Inc. (a sister division of Schirmer Theatrical) will process the rental of all scores and parts on behalf of the PRODUCERS*

- 3) Once you find the listing, click “Request Materials” on the right-hand menu, then complete questionnaires as prompted. If this is your first time ordering through Zinfonia, you will be required to enter the ASCAP and BMI Performer License numbers for your organization.
- 4) When prompted, check both boxes: “A quote is NOT required” and “I agree for Zinfonia to provide a copy of all information . . .” then continue with the questionnaire, ending with shipping address and ship by dates.
- 5) Place your order and save a record of your order number. Though there is a messaging function within the Zinfonia portal, please contact the G. Schirmer librarians directly at [rental@schirmer.com](mailto:rental@schirmer.com), citing your order number, should you need to make any changes.

The PRESENTER will be billed by G. Schirmer, Inc. for the cost of shipping the scores and parts to the VENUE/PRESENTER. The PRESENTER is also responsible for the cost of shipping to return the scores and parts to the PRODUCTION's music rental facility in Chester, NY. Shipping must be made by FedEx Ground, UPS Ground, Airborne or DHL and all tracking numbers must be given to a representative of the PRODUCTION upon request.

### 3. STAGING

As the PRODUCTION is intended for performance in an orchestra hall or similar venue (such as an outdoor amphitheater), we understand the basic stage layout will be largely predetermined. Should the PRODUCTION take place in an indoor orchestra hall, PRODUCERS prefer PRODUCTION be staged in the blacks, out of the acoustic shell. PRESENTER or VENUE to provide all soft goods. The stage is to be set-up according to the Stage Plot (see final page of rider) in advance of the first rehearsal. Rhythm section should be placed directly upstage of the podium, close to the conductor, with the strings and brass on either side and adequate space downstage of conductor's podium for the vocal soloists.

### 4. ORCHESTRA DRESS

As the PRODUCTION is intended for a more casual setting, PRODUCERS suggest that men wear dark suits with colorful ties, and women wear black with or without sparkles. PRODUCERS prefer not to have the orchestra in "formal wear," i.e. tuxes or white dinner jackets.

### 5. PERSONNEL

Unless otherwise negotiated with PRODUCERS, PRESENTER or VENUE shall hire the following rhythm section musicians with approval of the PRODUCERS:

- One (1) keyboard player who can read music, follow charted chord changes and improvise (if not hired by PRODUCERS)

- Optional Expansion (if PRESENTER chooses this feature under "Projection/Video" below): one (1) camera operator to run one (1) stationary camera and one (1) hand-held camera with switcher for projecting live feed of singers onscreen, interspersed with projection design.

PRESENTERS agree to pay PRODUCERS local union scale for rhythm section members hired by PRODUCERS.
