Initial: _____

1. DEFINITIONS

At all times, the definition of the word "PRESENTER" shall refer to the legal entity that is engaging this production, which includes musicians, staff, management, etc. "VENUE" shall refer to the concert hall and location in which the production shall take place. "PRODUCTION" shall refer to the orchestral concert Women Rock: A Symphonic Experience. "PRODUCERS" shall jointly refer to the co-producers Greenberg Artists and Schirmer Theatrical, LLC, both legal entities incorporated and operating under the laws and jurisdiction of the State of New York.

All equipment, materials, personnel and/or labor specified in this rider will be provided by the PRESENTER, at the PRESENTER's own expense (except where rider specifically notes otherwise). Upon completion of the agreement or sixty (60) days prior to performance, the PRESENTER shall provide to the PRODUCERS plans and information about the VENUE including a stage and seating diagram, backline lists of lighting, audio and projection equipment, as well as any additional information such as working hours or labor stipulations that may be vital to the planning of this engagement.

All video, projection, audio and lighting components, as described below, must be set-up, tested, and fully operational before first rehearsal of the PRODUCTION, whether that rehearsal is with or without the orchestra (see Rehearsals).

The PRODUCTION's title "WOMEN ROCK" and the musical content of this concert may not be changed or altered in any way except by the PRODUCERS.

The concert is approximately 1 hour and 35 minutes long (inclusive of a 20 minute intermission)

2. MUSIC RENTAL & SHIPPING

The cost of music rental for the PRODUCTION is included in the fee for the engagement, but it is the responsibility of PRESENTER to place an order online through www.Zinfonia.com, the official music publisher portal, for all scores and parts to be shipped to PRESENTER. To use Zinfonia, PRESENTER must:

- 1) Create a free account, if needed.
- 2) Once logged in, go to the "Search" tab and enter the following data:

Composer: Various
Title: Women Rock
Publisher: Music Sales Corporation

Note – Music Sales Corporation is the parent company of Schirmer Theatrical, and G. Schirmer, Inc. (a sister division of Schirmer Theatrical) will process the rental of all scores and parts on behalf of the PRODUCERS

- 3) Once you find the listing, click "Request Materials" on the right-hand menu, then complete questionnaires as prompted. If this is your first time ordering through Zinfonia, you will be required to enter the ASCAP and BMI Performer License numbers for your organization.
- 4) When prompted, check both boxes: "A quote is NOT required" and "I agree for Zinfonia to provide a copy of all information . . ." then continue with the questionnaire, ending with shipping address and ship by dates.
- 5) Place your order and save a record of your order number. Though there is a messaging function within the Zinfonia portal, please contact the G. Schirmer librarians directly at rental@schirmer.com, citing your order number, should you need to make any changes.

The PRESENTER will be billed by G. Schirmer, Inc. for the cost of shipping the scores and parts to the VENUE/PRESENTER. The PRESENTER is also responsible for the cost of shipping to return the

scores and parts to the PRODUCTION's music rental facility in Chester, NY. Shipping must be made by FedEx Ground, UPS Ground, Airborne or DHL and all tracking numbers must be given to a representative of the PRODUCTION upon request.

3. STAGING

As the PRODUCTION is intended for performance in an orchestra hall or similar venue (such as an outdoor amphitheater), we understand the basic stage layout will be largely predetermined. Should the PRODUCTION take place in an indoor orchestra hall, PRODUCERS prefer PRODUCTION be staged in the blacks, out of the acoustic shell. PRESENTER or VENUE to provide all soft goods. The stage is to be set-up according to the Stage Plot (see final page of rider) in advance of the first rehearsal. Rhythm section should be placed directly upstage of the podium, close to the conductor, with the strings and brass on either side and adequate space downstage of conductor's podium for the vocal soloists.

4. ORCHESTRA DRESS

As the PRODUCTION is intended for a more casual setting, PRODUCERS suggest that men wear dark suits with colorful ties, and women wear black with or without sparkles. Short-sleeved attire is also acceptable for outdoor, summer performances. PRODUCERS prefer not to have the orchestra in "formal wear," i.e. tuxes or white dinner jackets.

5. PERSONNEL

Unless otherwise negotiated with PRODUCERS, PRESENTER or VENUE shall hire the following rhythm section musicians with approval of the PRODUCERS:

- One (1) keyboard player who can read music, follow charted chord changes and improvise (if not hired by PRODUCERS)

- Optional Expansion (if PRESENTER chooses this feature under "Projection/Video" below): one (1) camera operator to run one (1) stationary camera and one (1) hand-held camera with switcher for projecting live feed of singers onscreen, interspersed with projection design.

Contingent on the winner's song, PRODUCTION will decide whether the winner will be singing solo with the rhythm section after intermission, or with the full orchestra during the concert. The winner will be invited to one (1) rehearsal the week of the concert for a chance to rehearse and to meet the musicians and conductor. PRESENTER should plan to have one (1) additional in-ear monitor and one (1) additional wireless vocal mic available for the student performer (at the rehearsal and concert). PRESENTER should contact PRODUCERS for more information, including selecting the date the Sing-Off winner will perform (if more than one performance of Women Rock is scheduled), and the deadline by which PRODUCERS must provide the score and parts for the Sing-Off winner's song to PRESENTER in order to be in compliance with local union regulations.

WMRC offers year-round and summer programs serving girls and gender non-binary youth ages 5-18. The *Girls Rock!* camp summer sessions (for ages 8-18), and *Jumpstart* summer rock camp (for ages 5-7), bring together intentionally diverse groups to explore identity and self-expression, ask questions of the world, build community, and act as leaders in their own process of musical creation. The non-profit also offers a three day *Ladies Rock Camp* intensive (for adults ages 19 and up), based upon their youth model. Year-round programming includes after school *Rhythm & Voice* workshops and *Rock Out Today* mini-camps in NYC public schools, as well as an *Arts & Activism Fellowship* which provides opportunities for teen women from low and moderate-income households to create their own podcasts, and explore the powerful combination of art and social justice.
